MMORPG GAME IN CRIMINAL SETTING

Free-to-Play Next-Gen Shooter Set in the Gritty Streets of Sunrise City

Step into a persistent, modern-day world, a free-to-play online shooter that combines elements of RPGs and PvP gameplay. Players will find themselves immersed in the gritty underworld where rival gangs clash to assert dominance. By joining a gang and engaging in intense street fights, players can ascend the ranks, build their reputation, and ultimately control the city's fate.

LEVEL DESIGN

MULTIPLAYER CO-OP RPG SHOOTER

A Co-op RPG Shooter Set in a Desperate Sci-Fi World

Immerse yourself in a dark and original sci-fi universe with this multiplayer co-op RPG shooter. As humanity struggles for survival on the unforgiving planet of Enoch, players create their custom Outrider characters and embark on an epic journey across hostile terrain. With its blend of intense gunplay, powerful abilities, and an arsenal of inventive weapons and gear, players can enjoy endless hours of thrilling gameplay.
